

**Palmetto Regional
Announcer Information Sheet**

In order to help the teams get to know each other better, this year's announcer wants to know more about your team.

Please complete this optional survey and return it to the Pit Administrator by 3:00 on Thursday.

The announcer will try to use this information during the introductions and as filler between matches.

Don't worry if you don't have an answer for every question. This is completely optional.

THIS OPTIONAL SHEET IS NOT USED IN THE JUDGING PROCESS. IT IS FOR THE ANNOUNCER ONLY.

Also, the announcer is trying to get a button from each team. If you have an extra, please leave it with the form.
